Another Advantage of Being an Elderplan Member

Elderplan is a participating agency of MJHS Health System. Both Elderplan and MJHS are not-for-profit organizations that share the same core values of compassion, dignity and respect.

In addition, an advantage to our members of Elderplan/HomeFirst being a participating agency of MJHS, is that the health system also includes: MJHS Home Care, MJHS Hospice and Palliative Care, as well as MJHS Isabella and MJHS Menorah Centers for Rehabilitation and Nursing Care. So, should you require access to additional support over time, and choose to receive services from MJHS, the Elderplan team can work together with their colleagues from across the system to better coordinate your care.

Health Equity

Elderplan realizes that staying healthy is not always as easy as seeing the doctor or taking medications as prescribed. Unfortunately, gaps in access to quality health care based on race, ethnicity and financial stability are still all too often a factor. Consistent with our values, Elderplan is leading the way to great care by being committed to health equity, to closing these gaps in care, and ensuring that all our members have access to high-quality programs and services.

Improving your ability to easily access care is important to us. So, if you have questions about any of these plan benefits, or how to use them, we are here for you. Simply call Elderplan at **1-800-353-3765** (or **TTY: 711** for the hearing impaired), between 8 a.m. – 8 p.m., 7 days a week. Visit www.elderplan.org
