**PHYSICIAN'S ORDER FOR PERSONAL CARE/CONSUMER DIRECTED PERSONAL ASSISTANCE SERVICES
INSTRUCTIONS**

COMPLETE ALL ITEMS. (Attach additional sheets, if necessary). INCOMPLETE FORMS WILL BE RETURNED TO THE PHYSICIAN. INCOMPLETE OR MISSING INFORMATION MAY DELAY SERVICES TO THIS PATIENT.

1. Patient Identifying Information

- **Patient Name.** Enter the patient's name.
- **CIN.** Found on the patient's Medical Assistance ID card.
- **Date of Birth.** Enter the patient's date of birth.
- **Sex.** Enter the patient's gender.
- **Address and telephone number.** Enter the patient's address and telephone number.
- **Medicare #.** Enter the patient's Medicare number if available.
- **If currently hospitalized.** If the patient is hospitalized at the time of completion of the physician's order, indicate the name of the hospital, date of admission, and anticipated date of discharge.
- **Discharge to above address.** If the patient is to be discharged to an address other than the address listed above please explain.

2. General Information

Physician's Name, License #, Address, Telephone . Enter information for the physician signing the order. Enter either the physician's license number as issued by the New York State Department of Education or the provider billing number issued by the New York State Department of Health Medicaid Management Information System.

- **Examination conducted by other than a physician** . If patient was examined, and the order form completed by a physician's assistant, specialist's assistant, or nurse practitioner, complete the required information.
- **Date of Examination** . Enter the date the patient was examined. This must be within 30 days of the date the physician signed the form.

3. Medical Findings

Note: Indicate **N/A** if an item does not apply to this patient or **Unk** if the requested information is unknown to the physician signing this form.

- **Describes the current condition.** Describe the patient's current medical/physical condition, including any relevant history.
- **Stability.** Check **Yes** if the patient's condition is not expected to show marked deterioration or improvement. **A stable medical condition** shall be defined as follows:
 - (a) the condition is not expected to exhibit sudden deterioration or improvement; and
 - (b) the condition does not require frequent medical or nursing judgment to determine changes in the patient's plan of care; and
 - (c) (1) the condition is such that a physically disabled individual is in need of routine supportive assistance and does not need skilled professional care in the home; or
 - (2) the condition is such that a physically disabled or frail elderly individual does not need professional care but does require assistance in the home to prevent a health or safety crisis from developing.
- **Hospice.** If the patient's condition is terminal, indicate if the patient is appropriate for Hospice services.
- **Describe the current treatment plan.** Include therapeutic goals and prognosis for recovery and anticipated duration of the current treatment plan.
- **Self-Directing.** Indicate if the patient is self-directing. Self-directing means that the patient is capable of making choices about activities of daily living, understanding the impact of the choices, and assuming responsibility for the results of the choices. A **No** response to this item should be reflected in the description of the patient's condition as documented in the applicable section.
- **Able to Summon Help.** Check **Yes** if the patient is able to summon assistance in an emergency situation by any means. If the patient is not able to summon assistance, check **No** and explain.
- **Medication Administration.** Indicate the patient's ability to self-administer medications.
- **Tasks/Treatments/Therapies.** Indicate any tasks, treatments or therapies which the patient receives or requires in the home and describe.
- **Need for completion/assistance with skilled tasks.** If the patient requires assistance with skilled tasks including, but not limited to, glucose monitoring, wound care, vital signs, describe the need for such assistance.
- **Recommendation to provide assistance.** Check **Yes** if, in your opinion, the patient can be maintained in his or her home with provision of home care services.
- **Contributing factors to need for assistance.** Please indicate the functional deficits that support the need for the provision of home care services. Please include any pertinent information you may have regarding the patient's surroundings, physical condition or other factors that may affect the ability of the patient to function in the community or the patient's need for assistance with personal care tasks.

4. Physician's Signature/Date of completion. The signature of the ordering physician as identified in Item 2. Note that by signing this document, the physician certifies that the patient's condition and needs are accurately described. Forms lacking a signature and/or date are not acceptable.

5. Return Form To. Elderplan / HomeFirst as indicated on the form.
